

## Touch Tone Teller guide (or simply call in and follow the prompts)

You don't have to wait for the voice to stop if you want to select a menu option. Use the “#” key to return to previous menu or the “\*” key to repeat the last thing said. Simply hang up to end session. ¡Touch Tone Teller también tiene opciones en español!

starting menu

- |  |  |
|--|--|
| <b>1</b> Select an account: <b>1</b> checking <b>2</b> savings; etc. →                 | <b>You immediately get available balance and last transaction for the selected account. Menu then changes to fit that account:</b> |
| <b>2</b> Transfer money/make payment: <b>1</b> checking to savings; etc.               | <b>1</b> repeat available checking balance & last transaction  |
| <b>3</b> Hear all account balances . . .   | <b>2</b> details: <b>1</b> all transactions <b>2</b> list cleared checks; etc.   |
| <b>4</b> General information: <b>1</b> branch details <b>2</b> nearest ATM; etc.       | <b>3</b> transfer money or make payment from checking  |
| <b>5</b> Activate a card . . .   | <b>4</b> work with another account   |
| <b>6</b> Further choices: <b>1</b> lost or stolen card . . . <b>3</b> change PIN; etc. |  |
